to allow for reloading clays
Summer Hours: 7am-6:30pm
Winter Hours: 8am-3:30pm

* "SHOW ME" TARGETS AND BREAKAGE POLICY.

Our clays are part of a statewide retail system, we are not at liberty to provide free "show me" clays or breakage reimbursement. Based on the quality of our courses and a pricing comparison with other top quality ranges, we have included these costs in the per/bird pricing and feel that it is comparable or less than others. If you experience excessive breakage with a particular thrower, please contact the office at (970) 464-1339 or let our on site range staff know. We pride ourselves in correcting thrower malfunctions quickly.

SAFETY RULES

- Eye and Ear protection required for ALL shooters and spectators at all times. (spares are available in the Range Office)
- No Shooting of Pistols or Rifles allowed on the clays ranges - Zero Tolerance Policy will be strictly enforced.
- Pointing or allowing a firearm to be pointed (whether loaded or not) at or near another person will result in immediate termination of shooting privileges for the day. Repeat offenders may be banned permanently from CSEC activities.
- No going forward of the shooting stands at any time for any reason (call staff to inform of malfunctions or excessive clay breakage 970-464-1339).
- Load and unload firearms inside of shooting stands only. Firearms must be completely unloaded between shooting positions.
- No more than two shells loaded per shotgun at any time.
- No shot sizes larger than 7 ½, shells larger than 2 ¾" or loads exceeding 1 ⅛ oz.
- Firearm barrel length must be a minimum of 18" and have a buttstock.
- At all times when not in the stand and actively engaging targets:
 - All Semi-Auto and Pump Action Shotguns must have actions open with the barrel pointed safely straight up.
 - Break Actions may be carried over the shoulder or forearm with the barrel pointed safely forward and the action open.
- Any firearm carried on a UTV/ATV, must be secured to the vehicle or in a hard case.

THE FOUR BASIC RULES OF FIREARM SAFETY

1. Always treat
EVERY firearm as if it
is loaded

2. NEVER point a
firearm at anything
you are not willing to
destroy

3. Keep your finger
off the trigger until
your sights are on
your target

4. Know your target
and what is beyond
