

GENERAL RANGE RULES

- Shooters and visitors **MUST** check in at the Range Office
- Public access bays 1-7 and archery bay are available following check-in and payment at the Range Office
- Bay 1 is for .22 LR and air guns **ONLY**
- Action Shooting Bays 8-20 are by reservation and user group permit use only (RSO must be present per user group agreement)
- **ABSOLUTELY NO** dogs allowed on any part of the facility at any time, unless allowed by special use permit.
- Persons 17 and under must be supervised by someone over 21, who is not shooting while supervising
- No more than two minors per supervising adult in any group
- Persons under 7 may not handle firearms at this range, but may shoot archery
- Minimum age for handling handguns is 12 years

- Smoking allowed in designated areas only
- Cigarette butts must be placed only in the appropriately labeled containers
- Pick up all brass and place into recycling receptacles found in each bay (unless you are keeping your own brass. **DO NOT** take any brass that you did not bring)
- Shooters must clean up all trash and place it in provided trash cans (**NOT** in brass recycling cans!)
- Group picnic shelters available upon payment and reservation only
- Individual picnic tables are available for general public use (Please clean up the picnic area and place trash in cans!)
- Park in approved parking areas only, unless directed by CSEC staff during an overflow event parking scenario
- No alcohol/illegal drug use, or persons under the influence of intoxicants allowed at any time while using the range
- No tracer/incendiary or AP/ penetrator (green tip) rounds allowed at any time while using the range

***All ranges are subject to closure due to permitted events or maintenance**

SAFETY RULES

- No drawing/shooting from the holster at public bays
- No tracer/incendiary or AP rounds allowed. Full auto allowed only during specially permitted events.
- Eye and ear protection required while on the firing line, when the line is 'hot' (including spectators)
- No one is allowed forward of the red safety line when the line is 'hot'
- No one is allowed between the yellow and red safety lines when the range is 'safe'
- Individuals in the bay must work out 'cease-fire' before **ANYONE** goes forward of the red safety line
- Anyone can call an emergency 'cease-fire' for safety emergencies
- Emergency 'cease-fire' applies to all bays and is in effect until an RSO declares the range is 'hot'
- Administrative non-emergency 'cease-fire' applies to individual bays only (changing targets, etc.)
- Firearms must be cased when transporting to or from a bay.

Cease-Fire Procedures

- Immediately unload and remove all firearms from benches, remove magazines, lock actions/cylinders open
- All pistol will be benched on pistol tables, and all rifles will be racked muzzle up in the rifle racks
- No one is allowed downrange until the RSO declares the range is clear
- Anyone not going down range will remain behind the yellow safety line until the line is "hot"

Minimum distance for shooting steel targets:

- | | |
|---------------------------------------|-----------|
| • Pistol caliber and .22LR cartridges | 10 yards |
| • Standard rifle cartridges | 100 yards |
| • Magnum (over 3000 FPS) velocity | 200 yards |
- No Magnum pistol rounds or equivalent at pistol bay steel
 - No Shotgun at steel or backerboards (cardboard **ONLY**)

THE FOUR BASIC RULES OF FIREARM SAFETY

1. NEVER point a firearm at anything you are not willing to destroy
2. Keep your finger off the trigger until your sights are on your target
3. Always treat EVERY firearm as if it is loaded
4. Know your target and what is beyond
