

VARMINT-ELR MAP

Rules:

Certificates are restricted to 6mm/24 caliber or smaller cartridges. PCP air rifles may qualify using .25 caliber or larger slug.

- Targets V1 through V9 are 6" x 6" steel, diamond-shape, white with a 3" circle orange center.
- Targets are at unmarked yardages. Part of the skill set is to be able to accurately range small targets at long distances.
- Targets are indicated on this map but there are no target signs.
- Targets are to be engaged in ascending order. To qualify for a certificate a shooter must declare to the LRP RSO and then successfully engage with no more than three shots.
- Attempts to qualify for a certificate can only be done once per bench time.

Certificates: Impacts on targets V3, V6, and V9 must be witnessed by an LRP RSO or full-time CSEC Staff.

Marksman: V1, V2, V3.

Expert: V4, V5, V6

Master: V7, V8, V9
